Girls Lacrosse – 3:15-4:45 ILES Gym

Boys Lacrosse – 5:00-6:45 in gym

Monday, March 25th

Unified Volleyball – 3:15-4:15 in gym

MANDATORY PARENT-ATHLETE-COACH MEETING

There will be a mandatory parent/athlete meeting on Tuesday, March 19th at 6:30 in the auditorium to review policies, procedures, sportsmanship expectations, as well as discuss the ImPACT testing and concussion protocol (see below). All high school and middle school spring athletes and at least one parent/guardian are required to attend this meeting in order for your athlete to participate in the first game/meet. **NOTE: If you and your child attended the fall and/or winter meeting you DO NOT have to attend the spring meeting.**

ImPACT Concussion Testing

All Inter-Lakes student-athletes at the high school will be required to participate in the ImPACT testing for concussion safety. ImPACT is a computer-based concussion test. Athletes will take the test before the season and again after receiving a concussion. By comparing post-injury to pre-injury scores, the testing program allows the athletic training staff, school nurse, and medical personnel to judge when the effects of the concussion on the brain's function has worn off. The test is taken on a computer in the school's computer lab. More information about ImPACT can be found at www.impacttest.com. If you have any questions or concerns feel free to contact me as well. **NOTE: Athletes will not be able to participate in a spring sport until the ImPACT test is administered. If your child has already taken the ImPACT baseline test in the fall or winter he/she does not have to take the test again this year.**

The following is a list of dates and times the ImPACT test will be offered. Please access the online registration through www.interlakes.org/sports to register. NOTE: It is very important to arrive at least five minutes prior to the schedule time. If your child is late he/she might not be allowed to enter the test room.

March 12th 3:15 in basement computer lab

March 13th 3:15 in basement computer lab

I look forward to a great spring season! In the meantime feel free to contact me if you have any questions.

Sincerely,

Jeff Cloos
Athletic Director
